Fill out the details of the RV and the dates of occupancy. A maximum of two permits will be issued per lot for overlapping time periods, and each RV will only be allowed on the lot for a maximum of 21 days. To obtain a 5 day permit for more than 2 RV's, you must contact the County of Stettler.

After an RV is off the property for a minimum of 5 days, the 21- day timer will reset, whether the RV was on for 21 days or less prior. (i.e. if a RV is on the lot for 1 week, off the lot for 5 days, and back on the lot for 21 days, this is permissible, as long as the permits requested reflect the appropriate arrival and departure dates).
